

More Than We Can Imagine February 11 & 18

Every year during the month of February, our denomination's Week of Compassion offering rolls around. How fitting to take up this Special Offering as stores fill with Valentine hearts! Week of Compassion, one of our denomination's six special offerings, is often called the "Heart" of our church as it funds disaster relief and refugee assistance in our country and around the world.

When you give to Week of Compassion to those like Luisa Maria Lopez above, you can imagine how God is bringing transformation! Imagine the impact of God at work through simple seedlings. Seedlings your gifts to Week of Compassion helped provide and that will offer nourishment and income. Without the burdens of struggle, communities have more time for creativity, learning, and possibilities for life in greater fullness.
