

Join us for our next meeting on Wednesday, October 4, 2:00 pm in the Committee Room. We have our last Bible study from the *Just Women* publication. It is based on Paul's letter to Philemon concerning the slave Onesimus and also talks about how Christians are a part of a new family that should treat each other as beloved brothers and sisters in Christ.

We are also pleased to announce that Open Circle gave \$200 to the CROP Hunger Walk and \$300 to Week of Compassion Disaster Relief for the work they do.

All are welcome to join us for a good time of fellowship!
