

This month the JOY Group is headed to another favorite place on Wednesday, October 11. We will leave the church at 10:30 am. Our final destination is Reed's Valley Orchard near Paris. Before going to the Orchard, we will have lunch in Paris at the Paradise Café. The owner has an interesting story of escaping Vietnam at the end of the war. Trudy Reed of Reed's suggested we go there. Please let Jackie Diachun know if you are interested in going or if you have questions.
