

LONGEST NIGHT/BLUE CHRISTMAS SERVICE
WEDNESDAY, DECEMBER 20, 7:00 PM

Are you struggling to keep a smile on your face during the month of December? Is your heart so weighted down with grief or worry that singing the 'fa la la' of the season is next to impossible? Are you weary with the news of the world or with just trying to keep up with the pace of this time of year? Then join us for a short service of prayer on the eve of the longest night of the year. It will be a service with readings, quiet, reflective music, and candlelight.
